There are three ways to file your BIR form 1700

Manual Filing of BIR form 1700

- Manual filing is an alternative tax-filing method that involves personally submitting your accomplished ITR when eFPS and eBIRForms are down or unavailable.

How to File and Pay BIR form 1700 Manually:

1. Download the appropriate ITR PDF file from the [BIR website](#) (see previous section).
2. Print three copies of the ITR.
3. Fill out the appropriate fields, including [TIN](#).
4. Visit the nearest authorized agent bank (AAB) under your Revenue District Office (RDO) jurisdiction. If there's no AAB in your area, visit the Revenue Collection Officer or authorized city/municipal treasurer in your RDO.
5. Submit your accomplished ITR along with the required documents.
6. Pay your tax due.
7. Receive a copy of the stamped and validated ITR and deposit slip from the teller (or Electronic Revenue Official Receipt or eROR if you paid tax in the RDO).

- Electronic Filing and Payment System (eFPS)

- The BIR [eFPS](#) is an online platform that allows certain taxpayers to file and pay taxes. It eliminates the hassle of manual filing and reduces the risk of human error by validating all taxpayer data before transmitting it to the BIR.

- Steps in Enrolling in eFPS:

1. Visit the eFPS website.
2. Click "Enroll to eFPS."
3. Fill out the enrollment form with your taxpayer and bank account details, then verify your data.
4. Click "Submit" and wait for a confirmation pop-up notification.
5. Once approved, follow the instructions from BIR to activate your account in eFPS.

- Steps for filing and paying BIR Form 1700 using eFPS:

1. Fill out the appropriate ITR for your taxpayer type.
2. Click "Proceed to Payment."
3. Choose a payment mode (Fund Transfer, Tax Debit Memo, or Tax Remittance Advice).
4. Complete the required fields in the eFPS payment form and click "Submit."
5. You'll be redirected to your registered bank's online banking site to pay your income tax online.
6. Check your email for confirmation of the successful e-filing and e-payment transaction from the bank.

- Electronic BIR Forms (eBIRForms)

- [eBIRForms](#) is a tax preparation software that can be downloaded on your computer. It allows taxpayers not eligible to use the eFPS to file their tax returns offline or online.

- Here's a step-by-step guide on how to use eBIRForms:

1. Go to the BIR website homepage or the eBIRForms page.
2. Download the offline package in ZIP format by clicking on the eBIRForms icon.
3. Extract the files from the downloaded folder on your computer.
4. Right-click on "Offline eBIRForms Package.setup.exe" and select "Run as administrator" to install the software.
5. Open the "BIRForms" program on your PC and create your user profile by filling out the required information.
6. Fill out all applicable fields on the ITR, then click "Validate." If there are any blank fields or incorrect information, you'll be prompted to make corrections until successful validation.
7. Save a copy of your completed ITR to your computer or flash drive by clicking "Final Copy."
8. Check your email for confirmation status from BIR and print it along with three copies of your accomplished ITR.
9. Go to an authorized agent bank (AAB) within your jurisdiction or visit a Revenue Collection Officer if there's no AAB in your area.
10. Submit your accomplished ITR plus other requirements and pay the tax due.
11. Receive stamped and validated ITR copy and deposit slip (or Electronic Revenue Official Receipt/eROR if paid at RDO).
